Southeastern Oklahoma State University

Teacher Education Program
Conceptual Framework Model

The teacher education program at Southeastern Oklahoma State University is dedicated to producing competent, committed, and ethical educators who can successfully work with diverse students. A professional for the 21st century is prepared to effectively utilize technology in planning and delivering instruction to diverse students while motivating and assessing all students. The theme statement Professionals for the 21st Century: Competent, Committed, and Ethical establishes the role of the candidates as they develop partnerships with professionals, parents, and the community in order to facilitate the education of all students in a caring, non-discriminatory and equitable manner.
